Description

LOGITECH GAMING MOUSE G203

From the manufacturer

Meet the gaming mice with our latest colorways and more vibrant RGB. Easy to personalize. Made for fun.

Ready to Play

Make the most of your game time with G203 LIGHTSYNC featuring a gaming grade sensor, classic 6-button design, and color wave LIGHTSYNC RGB lighting across 3 zones. Light up your game...and

your desk.

LIGHTSYNC RGB Color Wave

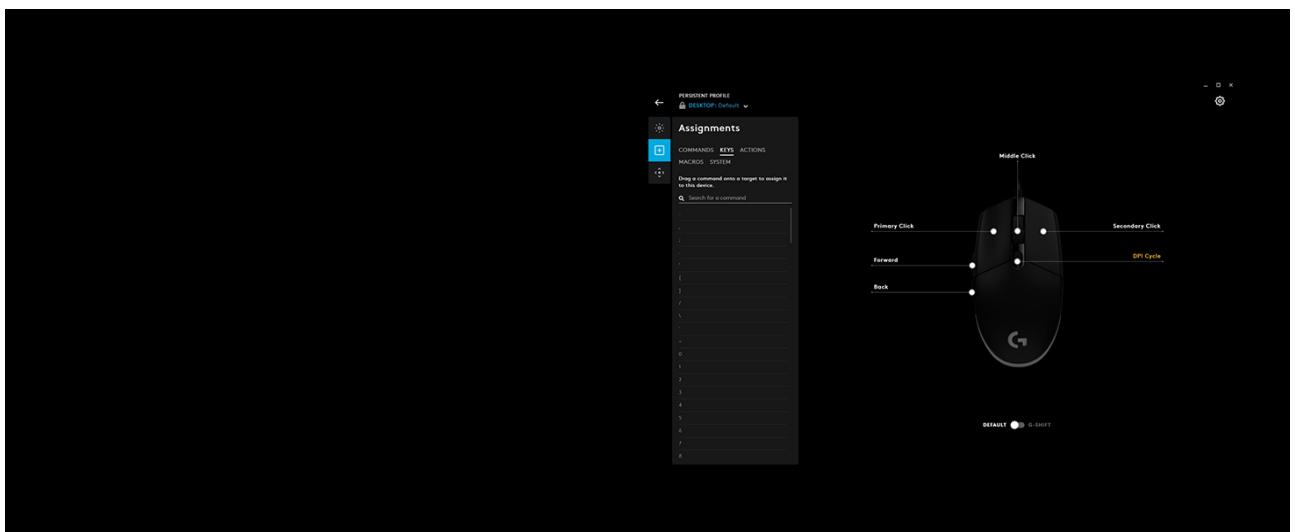

Use Logitech G HUB software to choose from vibrant animations, game- and media-driven settings, or program your own from approximately 16.8 million colors.

Metal Spring Button Tensioning

Primary left and right buttons have an exclusive spring button tensioning system. That helps deliver more precise button feedback, a crisper click and a more consistent experience—click after click.
