

NORTON 360 PREMIUM 1 USER 10 DEVICES

Description

Features

-

1-Year pre-paid subscription

A payment method must be stored in your Norton account to activate* You won't be charged again until the prepaid term ends. For new Norton subscriptions only at an introductory price.

-

Auto-Renewal

Never have a service disruption since this subscription auto-renews annually. If you do not wish to renew, you can cancel in your Norton account anytime.

-

Ongoing protection

Download instantly and install protection for up to 10 PCs, Macs, iOS or Android devices in minutes!

-

Real-time threat protection

Advanced security protects against existing and emerging malware threats, including ransomware and viruses, and it won't slow down your device performance.

-

75GB secure PC cloud backup

Store and help protect important files as a preventative measure to data loss due to hard drive failures, stolen devices and even ransomware.

-

Secure VPN

Browse anonymously and securely with a no-log VPN while using public Wi-Fi. Add bank-grade encryption to help keep your information like passwords and bank details secure and private.

-

Dark web monitoring

We monitor and notify you if we find your personal information on the Dark Web.**

-

Password manager

Easily create, store, and manage your passwords, credit card information and other credentials online.

-

PC safe cam

Get notified if cybercriminals try to use your webcam on your PC, and we can help block them.

-

Smart firewall

Monitors all network activity to and from your computer, blocks cybercriminals and other unauthorized traffic.

-

Parental control

Manage your kids' activities online. Help them explore, learn, and enjoy connected world safely on their Windows PCs or smartphones.‡

-

General disclaimers and disclosures

No one can prevent all cybercrime or identity theft.

-

*Payment method required for pre-paid subscription. You are purchasing a recurring subscription

which will automatically renew after the first year. To activate, you must enroll online and provide your billing information.

- The price paid today is valid for the first year of subscription, and will automatically renew and charge your stored payment method. Applicable renewal price found at [Norton.com/pricing](https://norton.com/pricing).
- The price is subject to change, but we will always send you a notification email in advance. You may cancel the automatic renewal by logging in to your account, or contacting Norton.
- Coverage may include product, service and/or protection updates and features that may be added, modified or removed, subject to the applicable License and Services Agreement found on GenDigital.com/LSA.
- Data collection, storage and use for subscription management and renewal purposes subject to the Global Privacy Statement at GenDigital.com/privacy.
- **Defaults to monitor your email address only. Log in to your Norton account to enter more info for monitoring. If you are a current LifeLock member, you must review and manage those settings in your LifeLock portal.
- ‡Norton Family Parental Control features are not supported on Mac
