

Samsung 27 Essential Monitor S3 S31C

Description

Samsung 22-inch screen – Clear and clutter-free view

Borderless Design

See what's on screen without distraction. The 3-sided borderless display brings a clean and modern aesthetic to any home office or working space. In a multi-monitor setup, the displays line up for a virtually gapless view for uninterrupted viewing.

Samsung 22-inch screen with IPS Panel – View from All Angles

IPS Panel Technology

You can focus on your screen comfortably, no matter where you are. The IPS panel preserves color vividness and clarity across the screen, while presenting tones and shades with reduced color washing to bring important details to life.

FreeSync OFF

Enhanced Gaming with 75Hz Refresh Rate

Synchronized Gameplay

Fluid visuals for viewing that flows. The 75Hz refresh rate delivers smoother scenes. When playing a game, watching a YouTube video or catching up on other content, your entertainment has reduced lag and ghosting effect.
