

Sandisk Flash Drive 16GB ULTRA FLAIR

Description

Sandisk Flash Drive 16GB ULTRA FLAIR

The SanDisk Ultra Flair USB 3.0 Flash Drive features a stylish yet tough metal casing that protects the drive from unexpected knocks. A compact design makes it easy to slip the USB flash drive into your pocket, bag, or purse and bring your files with you anywhere. Create a private folder on your drive with SanDisk SecureAccess software. This 128-bit AES encryption software makes it easy to password-protect critical files. Drag and drop files into the vault, and they'll be encrypted. The drive comes with a RescuePro Deluxe data recovery software download offer. This software makes it easy to recover files that have been accidentally deleted (download required). The SanDisk Ultra Flair USB 3.0 Flash Drive is backward-compatible, so you can plug it into any USB 2.0 or 3.0 port.
