

Lenovo ThinkPad P14s Intel® Core™ i7-1185G7 16GB 512GB SSD T500 14"
Windows 11 Pro 3 Year – 20VXS0MJ00

Description

Lenovo ThinkPad P14s Intel® Core™ i7-1185G7 16GB 512GB SSD T500 14"
Windows 11 Pro 3 Year – 20VXS0MJ00

Features

Versatile power

Engineered for highly mobile power users, the ThinkPad P14s Gen 2 (14" Intel) is fueled by up to 11th Gen Intel® Core™ processors for unmatched speed and performance. NVIDIA® T500 professional graphics with 4GB vRAM power an extra kick for renderings and other intensive tasks.

See it bright, see it clear

Choose a ThinkPad P14s Gen 2 (14" Intel) with a 4K UHD (3840 x 2160) display for vivid, true-to-life images and video. This 500-nit display option delivers increased brightness, while integrated X-Rite Factory Color Calibration assures pin-point color accuracy.

Slim profile, big-time versatility

While the ThinkPad P14s Gen 2 (14" Intel) packs massive power into its slim, portable, 1.47kg / 3.24lbs design, it also provides robust connectivity to give you an extra edge—including two Thunderbolt™ 4 ports, along with HDMI and USB 3.2 connectors.

New levels of power

Up to 2TB of fast NVMe SSD storage and up to 48GB 3200MHz memory make lag time a thing of the past. The ThinkPad P14s Gen 2 (14" Intel) Mobile Workstation also includes ISV certifications from major vendors like AutoCAD[®], Revit[®], SolidWorks[®]

Built tough

To ensure it will run in extreme conditions, the ThinkPad P14s Gen 2 (14" Intel) is tested against 12 military-grade requirements and more than 200 quality checks. From the Arctic wilderness to desert dust storms, from zero gravity to accidental spills and being dropped, it won't let you down.

Security first

The ThinkPad P14s Gen 2 (14" Intel) boasts an updated suite of built-in ThinkShield features to safeguard your device and data. A fingerprint reader assures extra-secure login. Discrete Trusted Platform Module (dTPM) encrypts your business-critical data and works in conjunction with Windows 10 security features. Protect your data and yourself with a physical shutter for the webcam and an improved optional PrivacyGuard with PrivacyAlert screen that helps prevent nosy neighbors from reading your screen.

***Features shown below may not be available on all products. Please refer to product details page for specific product features.**

***Image is for illustrative purposes. Actual touchpad has four haptic sensors.**
