Description

ThinkPad X13 2-in-1 Gen 5 Intel Core Ultra 7 155U 16GB RAM 512GB SSD Windows 11 Pro 13.3" WUXGA Arabic 3 Year – 21LW0004GR

Enormous Power for Stellar Performance

Unleash seamless productivity with the Lenovo ThinkPad X13 2-in-1 Gen 5 high-performance laptop, which combines power, portability, and security. It's lightweight, inherently easy to carry, and ideal for working anywhere. With

an enduring battery,
it powers through your day. Driven by Intel® Core™ Ultra performance
and available with Intel vPro® technology with the Evo® Edition, this compact device conquers
intensive workloads swiftly and
efficiently. This reliable companion is designed to enhance your work life effortlessly.

One Device, Versatile Uses

The ThinkPad X13 2-in-1 Gen 5 seamlessly transitions between various modes, serving as a laptop for productivity tasks,
a tablet for on-the-go usage, a sketchpad for your creative endeavors, and even a presentation stand for collaborating and sharing.
This versatile PC literally bends over backwards for you. Use the integrated pen to precision focus, as well as to express your digital artistry.
Experience more natural and intuitive notetaking in your meetings when you don't feel like typing. Do it all with the flexible 2-in-1.

Next-level Security

ThinkShield, our comprehensive suite of security solutions, fortifies your device behind the scenes to defend your critical data from threats.

With the discrete Trusted Platform Module (dTPM), you get extra-layered protection for data encryption. Biometrics provide a unique shield with a fingerprint reader that's integrated with the power button — securely log in and quickly boot up with a simple touch. Plus, the optional infrared (IR) camera enables vision-based privacy such as onlooker detection if someone tries to see over your shoulder, and it secures your device when you step away.

Uninterrupted Business Anywhere

Enjoy uninterrupted productivity on the go with the ThinkPad X13 2-in-1 Gen 5 laptop. Keep your business intact wherever your journey takes you.

Connect seamlessly with up to lightning-fast, efficient WiFi 7, and if you're out of range, effortlessly switch to optional 4G LTE just like a smartphone!

Stay up and running and connected all day, yet free from the need for electrical outlets — all-day battery performance keeps you unplugged and productive when you're on the go.

Immersive Audio & Stunning Visuals

Prepare to immerse yourself in captivating visuals on the ThinkPad X13 2-in-1 Gen 5 laptop. With wide-angle viewing, sharper images, and enhanced clarity, this 2-in-1 laptop is suitable for business and productivity tasks to entertainment and creative work.

Choose the low-power display to optimize energy usage and extend battery life. Or go with the Eyesafe[®] certified option and forget about eye strain and fatigue, even during extended work sessions. And with Dolby Audio[®], you'll enjoy high-quality sound that enhances meetings, movies, and calls.

Comfort & Precision

Experience a new level of sophistication with our keyboard that's meticulously designed for unparalleled performance and comfort.

Whether you're working in a dimly lit room or a brightly lit space, enjoy a touch of elegance and enhanced visibility with backlighting.

Plus, the precise navigation of the iconic TrackPoint and TrackPad makes it supereasy to work-on-the-go without the need for a mouse.

Navigate with ease whether you're out and about or in the office.

Built Tough

We use the US Department of Defense's MIL-STD 810H to create a balance of reliability and durability for ThinkPad laptops.

Meeting or exceeding 12 standards, 26 procedures, and 200+ quality checks ensure that these devices run in extreme conditions, including harsh variables like Arctic wilderness, desert dust storms, extreme temps, pressure, humidity, vibration, and more.
